No one medicine can cure in all cases, but we can show more real proof of the virtue of Ambrosial Oil in its healing properties, from responsible men, who are above being hought, than can be produced for any other medicine.

We do not assert a cure for every malady to which the human family are subject, but what we practain we can substantiate by living witnesses. The Ambrodial 601 is a Nashville preparation, and sold throughout the South and Southwest by all good druggists and general dealers. The South may be justly proud that Dr. Clark, a malive Teanesseeau, after much labor and research, has produced a really worthy medicine, which is bound to drive out nuch of the worthless imported trash with which the country is fixeded.
